

The Ice Queen

Alice Hoffman is at her electrifying best in this fairy tale for grown-ups. The story begins with a little girl who makes a wish one snowy night and ruins her life. She grows up with a splinter of ice in her heart until one day, standing by her kitchen window, she is struck by lightning. Instead of killing her, this cataclysmic event sparks off a new beginning. She seeks out Lazarus Jones, a fellow lightning survivor. He is her opposite, a burning man whose breath can boil water and whose touch scorches. As an obsessive love affair begins between them, both are forced to hide their most dangerous secrets - what turned one to ice and the other to fire. *The Ice Queen* is a haunting story of passion, loss, second chances and the secrets that come to define us, if we were not careful.
