

The Light Between Oceans

Would you accept a chance for happiness even if it wasn't yours to have? This is a story about a lighthouse keeper and his wife, who live on a lonely island with just seagulls, stars and buffeting winds for company. It's about a tiny baby and a dead man in a boat that drifts ashore one April morning, and the apparently harmless decision made that day. More than anything, it's a story about right and wrong, and how sometimes they look the same.
