

The Cavalier in the Yellow Doublet

The fifth novel in the adventures of Captain Alatrisme, a seventeenth-century swashbuckler and a twenty-first-century literary phenomenon. (Entertainment Weekly) In the cosmopolitan world of seventeenth-century Madrid, captain Alatrisme and his protege Inigo are fish out of water. But the king is determined to keep Alatrisme on retainer-regardless of whether his employment brings the captain uncomfortably close to old enemies. Alatrisme begins an affair with the famous and beautiful actress, Maria Castro, but soon discovers that the cost of her favors may be more than he bargained for-especially when he and Inigo become unwilling participants in a court conspiracy that could lead them both to the gallows . .
