

The Miracles of Santo Fico

A magical story of love...and miracles After twenty years, Leo Pizzola has come back to the Tuscan village of Santo Fico, still single and still looking for a way to get rich. The town is as poor as it was when Leo left, yet some things have changed. Of Leo's childhood companions, only little Guido, whom everyone calls Topo, embraces him. His best friend is long dead. The woman he once adored refuses to talk to him. And, worst of all, the kindly old town priest seems to have lost his faith. Perhaps what Santo Fico needs is a miracle—even if Leo and Topo have to manufacture one themselves. Now, as one botched scheme after another unravels, something completely unexpected happens, and wonders indeed begin to transform this Italian town, including the greatest miracle of all... Published around the world, this debut novel sparkles with the Italian spirit and emotions that will dance off the page and into your heart.
