

Under Eastern Stars (Heart of India Series #2)

In the exotic setting of the jungle frontier, betrayal and love lie just beneath the surface. Dissent among the powerful Kendall Dynasty is threatening to erupt over Coral Kendall's determination to begin a school for India's forgotten children, the Untouchables. Lurking ominously in the background is Sir Hugo Roxbury, the influential and unrelenting ambassador of the East India Company, who is just as determined Coral not to succeed. Two very different men wait in the shadows: the adventurous Major Jace Buckley, whose knowledge of India's dark underworld could be the key to finding Coral's adopted son; and the handsome Dr. Ethan Boswell, who has offered Coral a safe and secure escape from the turmoil of her heart. Coral must choose whom to trust and the decision will determine the course of her future. The exciting sequel to Silk!
