

The Prodigal (Abrams Daughters)

Book 4 in the bestselling Abrams Daughters series. The compelling and continuing chronicle of Abram Ebersols family, beginning in the mid-1940s, moves forward in time and scope to the late 50s. The devout Ebersols have faced sometimes-painful divisions and separations--if not geographical, those of the heart. Leah, possibly most of all, has borne losses and revelations that would have undone another whose faith was not firmly established in the God her beloved mother knew so fervently. Leah also has endured the ultimate test of her fortitude, the unexpected return of her shunned sister, Sadie, and the renewed sense of betrayal that arrives home with her. But since the close of *The Sacrifice*, Leah has occupied her heart and hands with the overseeing of the Ebersol Cottage and the raising of her motherless younger siblings. This includes vivacious Lydiann, who has arrived at the traditional rumschpringe, the time for testing her wings and her willingness to commit to the Old Ways. Will she take the sorrowful path of her older sister Sadie, or will Mamma Leahs good judgment guide Lydiann safely to her baptismal covenant?
