

The Reluctant Virgin

On the face of it, Katrina Devonside has everything that a young and beautiful girl should want. The daughter of immensely wealthy parents and soon to inherit a fortune of her own, she appears to have the world at her feet. But there is one thing missing in her life. Although nearly twenty-one, she is still a virgin. Constantly regaled by her college friends concerning their many and lascivious sexual adventures, her frustrations are increasing by the day. Fascinated by their tales of bizarre and extreme encounters, she vows to outdo them all before her birthday.
