

The Singers Crown

Prince Kattanan duRhys was in direct line to the throne until his royal family was cruelly slaughtered by a usurping uncle who spared the life of his favorite nephew but left the boy mutilated and incapable of claiming his birthright. Nearly a decade on, Kattanan is a harmless wanderer coveted prizeserving many different masters. But now the singer's simple life is threatened by chaos and dark wizardry, by his impossible secret love for the betrothed Princess Melisande . . . and by an obligation of the blood that forces Kattanan to pursue vengeance and a crown he's not certain he wants.
