

Snow Queen

Hans Christian Andersen was a Danish author best known for writing childrens stories including The Little Mermaid and The Ugly Duckling. But he didnt just write short stories, and his intended audience wasnt restricted to children. In addition to his fairy tales, Andersen wrote poems, plays, novels, travel books, essays, and more. He hungered for recognition at home (Denmark) and abroad and he got it! Eventually. Today, his stories can be read in over one hundred languages. But no matter what language theyre in, Andersens tales have got something for everyone. In them, youll find beauty, tragedy, nature, religion, artfulness, deception, betrayal, love, death, judgment, penance, and occasionally a happy ending. Theyre complex tales, but since Andersen himself was pretty complex, we like to think that art imitates life. Or something like that. The Snow Queen is an original fairy tale written by Hans Christian Andersen. The story centers on the struggle between good and evil as experienced by Gerda and her friend, Kai. The story is one of Andersens longest and most highly acclaimed stories. It is regularly included in selected tales and collections of his work and is frequently reprinted in illustrated storybook editions for children. Includes vintage illustration!
