

## The Spirit Rebellion (The Legend of Eli Monpress Series)

Hes also still at large, which drives Miranda Lyonette crazy. While shes been kicked out of the Spirit Court, Elis had plenty of time to plan his next adventure. But now the tables have turned, because Miranda has a new job ? and an opportunity to capture a certain thief. Things are about to get exciting for Eli. Hes picked a winner for his newest heist. His target: the Duke of Gaols famous thief-proof citadel. Eli knows Gaol is a trap, but whats life without challenges? Except the Duke is one of the wealthiest men in the world, a wizard who rules his duchy with an iron fist, and an obsessive perfectionist with only one hobby: Eli. It seems that everyone is hunting for Eli Monpress. A delightfully giddy romp of a novel. ? Karen Miller, author of The innocent mage Wry humor, engaging characters and full-tilt action. ? Gail Z. Martin, author of The Summoner
