

## The Strength of a Woman: Born to Turn Pain into Power

The Strength of a Woman powerfully challenges women to tap into the hidden reservoir of their God given potential. The author celebrates, empowers, and equips women with strategies and principles on how to turn pain into power and their passion into profits. This is a timely release for emotional healing and empowerment. This is a must read for women all over the world. Women will embrace their worth, reach for their goals, dream again, impact those who they encounter, and pursue purpose intentionally. Despite life challenges and poor decisions that were previously made the author reminds every woman that she is royal and worthy of giving herself another chance at life.
