

The Twelve Dates of Christmas: The Complete Novel (Christmas Fiction)

WINNER OF THE NOVELICIOUS DEBUT OF THE YEAR AWARD At thirty, Claudia's life is stale and the romance with long-term boyfriend, Seth, has disappeared. Determined to inject some festive spark back into their love life, Claudia and Seth go on their first date in a very long time. But when the night ends in disaster, Claudia suddenly finds herself facing life - and Christmas - alone. Life alone is exciting, scary and full of soon-forgotten exercise regimes and ill-advised attempts at crafting sexy underwear. It's also filling up with dates, surprisingly. With best friends Penny and Nick at her side, a surplus of festive markets, mulled wine and Christmas tunes, Claudia attempts to face all this change with gusto. One thing for certain: this year, Christmas is going to be very different ... This is the story of Claudia and her twelve dates of Christmas. Hilarious, uplifting and romantic, it's a story about losing love, finding love, and discovering what's been there all along. Expect Christmas sparkle, butterflies-in-your-stomach romance and a lot of very funny moments in *The Twelve Dates of Christmas*.
