

Into The Fire

A New York Times Bestselling Author Jamie Kincaid knows she can't move on with her life until she has answers. And she's walking straight into the fire to find them. A year ago Jamie learned that her beloved cousin, Nate, had been killed. Beaten to death in what police suspect was a drug deal gone wrong, he was found by his childhood friend Dillon Gaynor. Dillon had always been the baddest of the bad boys, leading Nate astray, and Jamie knows he has the answers to her questions about Nate's death. He's not about to volunteer any information, and Jamie's only choice is to head to the Wisconsin town where he lives to find the answers for herself.
