

Three Letters

The brand new dramatic novel about the power of a fathers love, a little boys journey, and the desperate search for a place to call home, from Number 1 best-selling author Josephine Cox. Eight-year-old Caseys mother Ruth is a cruel woman, with a weakness for other womens husbands. Caseys father is gentle and hard-working and, though Tom Denton has long suspected his wife of having sordid affairs, he has chosen to turn a blind eye to keep the peace. But then, out of the blue, Toms world is cruelly shattered when he receives two bits of devastating news. Because of this, Tom realises that from now on their lives must change, forever. A broken man, Tom is made to fight for his son, determined to keep him safe. But, when fate takes a hand, life can be unbearably cruel, and Casey is made to remember his fathers prophetic words...Its done. The dice is thrown, and nobody wins. But, unbeknown to Casey, there are three letters penned by his father, that may just change his destiny forever.
