

## Tigerlilys Orchids

When Stuart Font decides to throw a house-warming party in his new flat, he invites all the people in his building. After some deliberation, he even includes the unpleasant caretaker and his wife. There are a few other genuine friends on the list, but he definitely does not want to include his girlfriend, as that might involve asking her husband. The party will be one everyone remembers. But not for the right reasons. All the occupants of Lichfield House are about to experience a shocking change in their lives as Tigerlily casts her terrible spell...
