

Perfect Timing

Maxine Chandler and Mya Rivers were once the best of friends, sisters by choice. But distance and a series of misunderstandings came between them. Now, a fifteen-year class reunion cruise to the Caribbean could renew their powerful bond--just when they need it most. After heartbreak and tragedy, Maxi doesn't expect her shipboard romance with former high school rebel Christopher Chandler to be more than a sizzling distraction, but then he offers her a gift so profound she can't refuse it--even when it leaves her vulnerable to crushing loss. Mya, on the other hand, seems blessed with a perfect marriage, home, and beautiful twins. But Mya's work is taking over her life and another woman might be taking her husband. . . As each couple struggles with the limits of love, loyalty, and trust, Mya and Maxi reclaim a deep and abiding friendship. . . one that will inspire them with courage to face the future, whatever it may bring. . .
