

True Believer

From #1 New York Times bestselling author Nicholas Sparks comes an unforgettable love story that explores the deepest mysteries of all-those of the heart. As a science journalist with a regular column in Scientific American, Jeremy Marsh specializes in debunking the supernatural. A born skeptic, he travels to the small town of Boone Creek, North Carolina determined to find the real cause behind the ghostly apparitions that appear in the town cemetery. What he doesn't plan on, however, is meeting and falling hopelessly in love with Lexie Darnell, granddaughter of the town psychic. Now, if the young lovers are to have any kind of future at all, Jeremy must make a difficult choice: return to the life he knows, or do something he's never done before—take a giant leap of faith. But his choice is only the beginning, for their story takes the most unlikely twist of all, one that will finally make Jeremy a TRUE BELIEVER.
