

True Grit

There is no knowing what lies in a mans heart. On a trip to buy ponies, Frank Ross is killed by one of his own workers. Tom Chaney shoots him down in the street for a horse, \$150 cash, and two Californian gold pieces. Rosss unusually mature and single-minded fourteen-year-old daughter Mattie travels to claim his body, and finds that the authorities are doing nothing to find Chaney. Then she hears of Rooster - a man, shes told, who has grit - and convinces him to join her in a quest into dark, dangerous Indian territory to hunt Chaney down and avenge her fathers murder.
