

Trust Me

Desdemona Wainwright thinks Sam Stark looks much too calm for a man who has just been left at the altar. But she was hired to cater his wedding, not to save it. She marches into Starks den to demand the much-needed payment for the canceled reception - and discovers opposites do attract! Head of a multimillion-dollar company, Sam decides Desdemona would make the perfect no-strings-attached, stand-in wife, little dreaming how she will drive him crazy with desire. But when someone breaks into Sams secret computer files, sinister intrigue swirls around this unlikely pair. Now they must discover the real appeal of unstoppable passion and unbreakable faith . . . in TRUST ME, the wonderful new love story from Jayne Ann Krentz!
