

Ultimate New Job: The Definitive Guide to Surviving and Thriving As A New Starter

How long do you stay in each job? Millions of workers change roles on average every three years. A nation of job-hoppers, every promotion or change presents the same issues and worries and there's no getting away from those first day nerves. Ultimate New Job will prepare job seekers for the toughest few months of their lives, when fitting in is everything and first impressions count. Covering every aspect of starting a new job or internship, it tackles the top questions that people ask when starting a new position, from handling the offer and resigning from a current post, to researching the organization, networking and finding a place within the team. With realistic, practical advice, Ultimate New Job tackles many concerns head on, making the first weeks and months as smooth a transition as possible.
