

The Power Within

The Power Within is a reprint of the original self-published book introduced over 100 years ago (1911) with only two copies known to exist. It offers a beautiful way to celebrate each and every day, it helps add spiritual renewal and direction to your daily routine. This book was written during the transition from agriculture to industrialism which was a time when people weren't as distracted and were able to access a perspective that our era does not allow us the time to think and reflect. It also helps you understand how and why you are in control and have been and how people often don't realize the control they have. This book is a perfect companion for anyone who has ever felt or is feeling anxiety, disorientated, disconnected, fearful and anxious in their life. Our publication of The Power Within includes forwards from Ellen Ratner and Cholene Espinoza. The writings of the following authors are quoted in The Power Within: Aaron Martin Crane, Horation W. Dresser, Ralph Waldo Emerson, Christian B. Larson, Annie Payson Call writing as Orison Sweet Marden, Annie Rix Miltz, Prentice Mulford, Charles B. Newcomb, Katherine B. Newcomb, Elizabeth Towne, Henry Wood and Lilian Whiting
