

## Suicide Blonde

Vanity Fair called this intensely erotic story of a young woman's sexual and psychological odyssey a provocative tour through the dark side. Jesse, a beautiful twenty-nine-year-old, is adrift in San Francisco's demimonde of sexually ambiguous, bourbon-drinking, drug-taking outsiders. While desperately trying to sustain a connection with her bisexual boyfriend in a world of confused and forbidden desire, she becomes the caretaker of and confidante to Madame Pig, a besotted, grotesque recluse. Jesse also falls into a dangerous relationship with Madison, Pig's daughter or lover or both, who uses others' desires for her own purposes, hurtling herself and Jesse beyond all boundaries. With *Suicide Blonde*, Darcey Steinke delves into themes of identity and time, as well as the common -- and now tainted -- language of sexuality.
