

Vampire Sunrise: Delilah Street: Paranormal Investigator

WHEN THE STAKES ARE DEAD -- OR UNDEAD! Werewolf mobsters and vampires run Vegas, but thats yesterdays news for Delilah Street, paranormal investigator. Whats truly fearsome is her bloody discovery of an undead evil rooted in ancient Egypt. Now, with her lover Ric fighting for life after a grim battle, the chips are down. But Delilah is a born winner who has never let a little danger throw off her game, and shes been learning fast since she came to Sin City. Her affinity for silver is making mirror-walking a real breeze, and being forced to accept the albino rock star sorcerer Snows Brimstone Kiss has ramped up her powers to a startling new level. With the help of her trusty uber-wolfhound Quicksilver, not to mention the orange demon parking valet Manny, Delilah is determined to solve even more paranormal secrets, and hopefully save the few innocents left in town. But can Delilah win her high-stakes gamble for life and love against ancient gods and lethal supernatural odds?
