

Veronika decide morir (Spanish Edition)

La locura es la incapacidad de comunicarse. Entre la locura y la normalidad, que en el fondo son lo mismo, existe un estado intermedio: se llama ser diferente. Y la gente tiene cada vez mas miedo de ser diferente. Decidi contar en un libro mi experiencia como internado. Escribi Veronika decide morir en tercera persona, recurriendo a mi lado femenino, porque sabia que lo que perturbaba era el riesgo de ser igual.
