

The Affair Of Doctor Rutland

When Doctor Gina Mason joins her god-father in his Tenderden practice, she finds friction between Adrian and Norman Taylor, the two partners. The cause is Irene Morrison, an attractive, but neurotic woman who is a danger to herself and to those with whom she comes into contact. While stealthily drawing Adrian Taylor into her life, she finally endangers the reputation of the practice. Gina's relationship with Adrian is a stormy one as she tries to unravel the mystery surrounding him, which is further complicated by his silence.
