

## Villa Eilenroc

Sister Ursula wrestled with her rosary. Buried deep inside every fat girl, Imogen, a thin girl is desperately trying to get out. Villa Eilenroc, the fabled villa on the French Riviera, with its legendary parties and even more legendary guests - crinolined queens and cruel kings, Romanov Grand Dukes and Spanish grandees, the Fitzgeralds, Carnegie, Garbo, and Valentino. Set in the world of the super-rich, from St Tropez to San Remo, a world of glamour and hurt. Imogen O'Rourke is fat, plain, and unmarried. Cassandra Austin is thin, beautiful, and married. Her husband, Nick Austin, is rich, handsome, and likes fat women. Something has to give. A book about the weight of expectations. A book about food and wine, fashion and infidelity; and lots of chocolate
