

## Vivid

Its 1876 and Dr. Viveca Lancaster is frustrated by the limits placed upon female physicians of color. When she is offered the chance to set up a practice in the small all-black community of Grayson Grove, Michigan, she leaves her California home and heads east. The very determined Viveca knows all about fighting for her rights. But she may need more than determination to face down the distractingly handsome Nate Grayson, the Groves bull-headed mayor. Nate Grayson goes to the train station expecting Dr. V. Lancaster to be a man. But when the lovely, dark-skinned Viveca introduces herself, he is at first speechless, then orders her back on the train and out of his town! Its 1876 and women arent supposed to be doctors, men are. However, Nate isnt prepared for this extraordinary beautys stubbornness and fire, nor for the vivid way she heals-then steals-his heart. Contains mature themes.
