

Warlock: A Novel of Ancient Egypt

One of the worlds most acclaimed adventure writers returns to the world of ancient Egypt with the stunning sequel to the New York Times bestselling RIVER GOD. After the death of his beloved Queen Lostris, Taita retreats into the forbidding deserts of North Africa to become a hermit. He devotes himself to the study of the occult and, armed with extraordinary powers, he gradually transforms himself into a warlock. After years of study, he discovers the divine purpose of his bereavement when he is called upon to save the dynasty of Lostris from the clouds of evil that loom over Egypt. Exploding with all the drama, mystery, and passion of a bygone time, Warlock is a masterpiece from a storyteller at the height of his powers.
