

What a Sista Should Do

A powerful and spiritually satisfying novel from a compelling new voice about three courageous women who must confront the harsh realities of their lives through faith and prayer. Pam Lyons has a husband who places more trust in money and marijuana than in God. Yvonne Hastings is a ministers wife whose husbands infidelity and physical abuse brings their marriage to a crossroads. Taylor Johnson is a single mother who is looking for a good Christian man to help raise her son, but is unable to rid herself of the guilt left over from her promiscuous past. The secret of Taylors childs paternity is the catalyst for the tumultuous relationship between the three women. Together, they will learn unforgettable lessons about love, forgiveness, prayer, and sisterhood.
