

Trends

Trends is the story of restaurateur Anthony Carlucci. After suffering a loss in his life, Anthony realizes that his latest business venture has also gone off course. He enlists the help of his brother Neil to get the business back on track. When Neil finds Connie Faircloth, fresh out of college and eager to succeed, the business is in good hands. What none of them realize is just how much change Connie will bring to Anthony's life. For Connie, the Carlucci family is the antithesis of her own. While she is drawn to Anthony and his whole family there are obstacles to overcome. In attempting to move forward together Anthony and Connie learn much about life, love and each other.
