

## Giving Thanks: The Gifts of Gratitude

MJ Ryan has taught us that everything goes better with gratitude! In 1999, she wrote *Attitudes of Gratitude*, a popular, best-selling book that extols the benefits of living with a grateful heart. When we let ourselves feel and express our appreciation, we feel happier, younger, and healthier. Now Ryan has taken the essence of living a grateful life from the original book and paired it with beautiful and evocative images in *Giving Thanks*.
