

## Wicked Forest (DeBeers)

After discovering her true identity, Willow De Beers leaves her North Carolina town to live with her real mother and her half-brother in Palm Beach, Florida. Caught up in a world of glamour and extravagant wealth - where nosy neighbours, fuelled by gossip and greed, keep an eye on her eccentric family - Willow is determined to make a fresh start. Thatcher Eaton, the debonair lawyer, uses his intoxicating charm once again, this time convincing Willow to give him her hand in marriage. Its to be the ritziest wedding of the decade - even by Palm Beach standards. But as future plans are made, families feud and rumours fly - and Willow learns the horrifying truth: from the darkest of secrets there is no escape.
