

Without Fail (Jack Reacher, No. 6)

As the ultimate outsider, Reacher brings a fresh, if cynical, perspective to a world that he never made ? and cant wait to escape. ? The New York Times [The] plot is ingenious This is a superior series. ? The Washington Post Book World Relentlessly paced and absolutely mesmerizing. ? Milwaukee Journal Sentinel Skilled, cautious, and anonymous, Jack Reacher is perfect for the job: to assassinate the vice president of the United States. Theoretically, of course. A female Secret Service agent wants Reacher to find the holes in her system, and fast ? because a covert group already has the vice president in their sights. Theyve planned well. Theres just one thing they didnt plan on: Reacher. Irresistible. ? The Globe and Mail Everything falls into place like a well-assembled time bomb. ? The Boston Globe A stunner the suspense becomes nearly unbearable. - Booklist
