

## Younger, Thinner, Blonder

Have you ever wondered what its like to have everything? Tanya Travis doesnt have to. As host of TV show The Truth with Tanya Travis, she has glamour, luxury, success and public adulation while solving the problems of Britains great unwashed every morning on her TV show. However, things are not all they seem and Tanyas life of designer kitchens, Prada handbags and myriad TV awards is as difficult behind the scenes as those of her TV show guests. Tanya is hounded by the press, constantly reading damning headlines about her own life, looks, and body. But when she reads about her partners weakness for young blondes and problems mount onher show, Tanyas carefully constructed celebrity life begins to come apart at the seams. Her only lifeline is Celebrity Spa Trek a reality show in the Himalayas Where bad celebrities go good. But can clean-freak Tanya cope with no hot water, starvation, exhaustion, heartbreak and the sheer showbiz bitchiness of a celebrity trek through the Himalayas? Even with her relationship in crisis, cellulite on overdrive and career on the line, Tanya cant face the thought of prime time exposure with a desperate gaggle of C-List wannabes...but does she have a choice? A sharp, witty novel about our celebrity obsessed culture from the author of bestselling Fat Girls and Fairy Cakes.
