

## Zits 2014 Day-to-Day Calendar

Presenting a full-color Zits strip each day, this calendar will have both parents and teens laughing. Zits follows Jeremy, as he navigates high-school hallways in a plaid shirt he's pretty sure is clean and travels highways in a beat-up van he's pretty sure will make it. Meanwhile, his parents, Connie and Walt, simply do their best to keep up with his appetite and the latest texting acronyms. And like most families with teenagers, there are plenty of eye rolls from both sides. The result is one of the most poignant, realistic, and funny portrayals of the teenage years found in any medium today. Presenting a full-color Zits strip each day, the Zits 2014 Day-to-Day Calendar will have parents and teens laughing even more than they're eye rolling.
